JUNIOR OVERNIGHTER RECAP

On April 7-9th, our Junior classes joined Juniors from CVHS & RHS on an overnight field trip in which they toured ten colleges in Northern California. Overall, 86 AVID students from all three high schools attended, making it the largest group Ms. Bailey has ever taken. REV Junior Priscilla Urias believed the trip was a great experience stating that, "We were able to visit many colleges, compare them to one another, and see what each school had to offer. It

was fun to room with friends and to see what it is like to away from home." The Junior Overnighter was a success and is a great opportunity for students' to expand their college searches.

SENIOR RECOGNITION CEREMONY @ CSUSB

On Friday, April 29th, our AVID Seniors participated in the AVID Senior Recognition Ceremony at Cal State San Bernardino. They were a part of the thousands of AVID graduating Seniors from San Bernardino County that were commemorated for all their hard-work and achievements. Our Seniors donned their medallions and wore their sashes for their first time. It was a great event and even a few of our very own REV AVID Seniors performed to kick-off the night.
