Dear Parent/Guardian:

Soon it will be time to begin planning for college financial aid. In order for a student to be considered for a Cal Grant, they must have their GPA verified and submitted by their school. With the implementation of Assembly Bill 2160, Redlands East Valley High School will automatically submit all students GPA's to the California Student Aid Commission for consideration of a Cal Grant Award.

If you wish to opt out of this submission process you will need to complete a Cal Grant GPA Opt-Out Form. This form is available in the counseling office at Redlands East Valley High School and also on our website at rev.redlandsusd.net under the Counseling Page. All Opt Out forms must be returned to the REV Registrar's Office by December 17, 2015. **You only need to complete the form if you are requesting that your son or daughter's GPA NOT be submitted.** Please note that a current GPA is required for consideration of a Cal Grant Award.

If you have any additional questions regarding the financial aid process or the Opt Out procedures please feel free to contact your student's guidance counselor.

Thank-you,

Jennifer Murillo
Assistant Principal
